### **TRANSFORMING HIGHER EDUCATION THROUGH CONTEMPLATIVE PRACTICES: RESPONDING TO THE CURRENT MOMENT**

**3-DAY SUMMER CONFERENCE FOR EDUCATORS:  
JUNE 5 - 7, 2026  
HOSTED BY CENTER FOR CONTEMPLATIVE PRACTICES AT CSUSM**

We invite you to join us for a three-day conference in San Marcos, CA, to explore the varied ways contemplative practices can transform higher education. Unprecedented events of the past year have made it evident that we need to prepare ourselves and our students to be resilient in the face of constant uncertainty. This conference offers a welcoming and supportive forum for experts and novices to explore and share contemplative practices and related research that can help transform the educational experiences of our students and improve the wellbeing of our faculty, staff and students.

We invite you to consider submitting a proposal for the conference (proposal deadline: January 25<sup>th</sup>). Proposals from students are especially welcome. Session proposals can include contemplative practices that you have incorporated into your teaching, scholarship/creative activity, or service.
